Sweden

9:55 – 10:05 Hans-Jörg Lutzeyer,  
European Commission, DG Research and  
Innovation

10:05 – 10:15 Questions and general  
discussion

# TP Organics Workshop: Adapting the vision of TPO to the new challenges and policy context

Ilse A. Rasmussen

International Centre for Research  
in Organic Food Systems  
(ICROFS), Denmark

10:45 – 11:00 Hans-Jörg Lutzeyer,  
European Commission, DG Research and  
Innovation

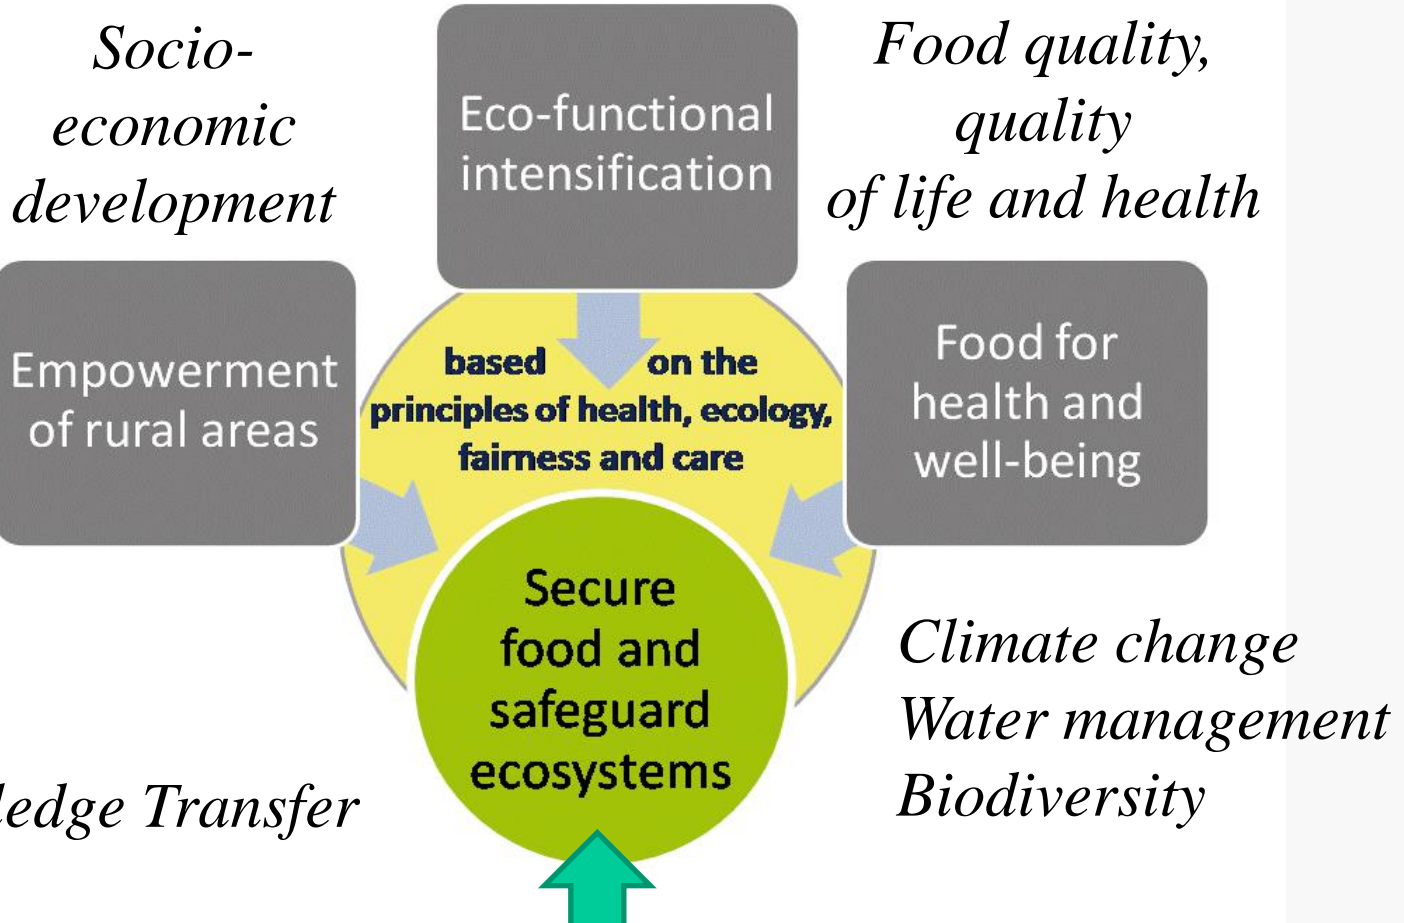

11:00 – 11:15 Eduardo Cuoco, TP  
Organics, Brussels

11:15 – 11:30 Urs Niggli, Research  
Institute of of Organic Agriculture (FiBL),  
Switzerland

11:30 – 12:45 Ilse A. Rasmussen, International  
Centre for Research in Organic Food Systems  
(ICROFS), Denmark, introduces workshop in breakout  
groups

# Research Vision:

*Food production and ecosystems*

# Group work on updated vision

- Solving problems of the organic sector
  - Replacing copper
  - Increasing yields
- Organics as a solution to societal challenges
  - Reducing antibiotics
  - Climate, energy & resource management

# Breakout

- Spend 2 minutes thinking for yourself and noting down what you find important
- Spend 5 minutes discussing with the person next to you

- Go to the group you find most relevant or interesting and present your thoughts to each other – use the boards – 30 minutes.
- Focus on the two perspectives
  - Organic sector
  - Societal challenges
- Find one statement for each perspective

# Groups:

- 1 – Empowerment of rural areas
  - Facilitator: Eduoardo Cuoco
- 2 – Eco-funtioncal intensification
  - Facilitator: Ilse A. Rasmussen
- 3 – Food for health and well-being
  - Facilitator: Bruce Pearce
- 4 – Cross-cutting challenges:
  - *Climate change*
  - *Water management*
  - *Biodiversity*
  - *Facilitator: Urs Niggli*
- 5 - *Knowledge Transfer*
  - Facilitator: Karin Ullvén

# Final input for updated vision

12:15 – 12:30

Groups 1 – 5 give ultrashort presentation

12:30 – 12:45

Final discussion
