

Agreement to Publish

This form, signed by the appropriate author(s), must be completed before any article is accepted for publication in any journal published by CABI Publishing, a division of CAB International. **We cannot, for legal reasons, publish any article unless this form has been signed and returned.**

Author(s):.....		
Title of article:.....		
.....(the "Article")		
Journal name:	(the "Journal")	Paper no.....

Assignment of Copyright

If you own copyright in the Article, please complete this section.

In consideration of the acceptance of the Article for publication in the Journal, I hereby assign to CAB International (acting as agent for the owner of copyright in the Journal where different), the entire right, title and interest in the copyright and rights in the nature of copyright in the Article throughout the world for the full term of the copyright therein and all renewals or extensions of such rights in any form and in any language for CAB International to hold absolutely (including without limitation on optical disk, transmission over the internet and other communications networks and in any other electronic form).

I hereby warrant that:-

- (a) I have been authorised in writing by all co-authors to sign this agreement on their behalf;
- (b) this Article is the Author(s)' original work, has not been previously published either in printed or electronic form (including World Wide Web home pages, discussion groups and other electronic bulletin boards) save as under the terms of this Agreement (see *Rights retained by the author overleaf*), and is not under consideration for publication elsewhere;
- (c) this Article will not in any way violate or infringe any rights of any third party and contains no material of an obscene, defamatory, libellous or otherwise unlawful nature;
- (d) I have identified (or will identify) to CAB International in writing any part of the Article which is not the original work of the Author(s) and I have obtained written permission for and acknowledged the source of any illustrations, diagrams or other material included in the Article of which I am not the copyright owner.
- (e) I will indemnify and keep indemnified the Editor of the Journal and CAB International against all claims and expenses (including legal costs and expenses) arising from any breach of this warranty and the other warranties on my behalf or on behalf of my co-authors in this Agreement.

Corresponding or senior author on behalf of all authors Date

Other authorised agent, name and title Date

(Add extra signatory pages as necessary)

If you do not own copyright in the Article, complete this section

Reason for non assignment (please circle) : US Government employee/ Crown copyright/ Other
Please provide the full title of the copyright holder and the copyright statement to be printed in the paper.

On my behalf and on behalf of any co-authors, I hereby warrant that I have obtained the necessary consents to allow CAB International to publish the Article and hereby grant CAB International a licence to do so.

Notes on the Assignment of Copyright

- 1 The Agreement does not affect the Author's moral rights, including the right to be identified as the author, under the terms of the Copyright Designs and Patents Act 1988.
- 2 CAB International will not unreasonably withhold its consent to the publication of the Article elsewhere, provided that the Journal is acknowledged as the original source.
- 3 Your assignment of copyright signifies your agreement to the Journal including your Article in all electronic document delivery services or systems and electronic journal databases operated by the Journal and /or CAB International.
- 4 By signing this form, you certify that you have informed the co-authors of the terms of this agreement and are signing on their behalf.
- 5 References to the singular shall include the plural as appropriate.
- 6 You and all co-authors agree to execute such further documents and do such further acts as may be necessary to give full effect to the terms of this Agreement.

Rights retained by the author

As the author of the Article, you retain the right to use it for your own teaching purposes, to reproduce it and distribute it in print or electronic format for personal or professional use only (provided that such copies are not offered for sale), to adapt it for any purpose other than the commercial exploitation of a work similar to the original, or to communicate its contents to the public in spoken presentations.

Upon submitting an article to this journal for review and possible publication, authors are requested to add the following notice to the first screen of any posted electronic preprint versions of the paper. *This work has been submitted to <JOURNAL NAME> for possible publication. Copyright may be transferred without notice, after which this version may no longer be accessible.*

When the work has been accepted for publication, the author may post it, in its final accepted form, on their personal server, on their institution's server or on an organised preprint server, with a notice *Accepted for publication in <JOURNAL NAME> as of <DATE>*. After publication, authors may update this notice to read, *This material has been published in <JOURNAL NAME, issue number and date, page numbers>, the only accredited archive of the content that has been certified and accepted after peer review. Copyright and all rights therein are retained by CAB International.* A link to the CABI Publishing web site should be included. If you receive a PDF off-print of your article post-publication, you may only use it for the purpose of dissemination to individual colleagues and for your own personal use, and you may not post it on a web server in place of the preprint version.

Important: Please be aware that CABI *Publishing* may choose to publish an abstract or portions of the paper prior to publishing the paper in their journal. Please contact CABI *Publishing* immediately if you would like CABI *Publishing* to refrain from such prior publication for any reason, including disclosure of a patentable invention.
