Increasing organic area

Biodiversity friendly farm-management actions

A light blue rectangular box containing the European Union flag on the left. To its right is a dark blue arrow pointing right, with '11%' before it and '25%' after it. Further right are two images: a dark beetle on a light surface with a green upward arrow, and a brown spider on a green leaf with a white downward arrow.

A green-bordered box containing four images in a 2x2 grid. The top row shows two identical images of a dark beetle on a light surface, each with a green upward arrow. The bottom row shows two identical images of a small brown bird perched on a wooden post, each with a green arrow (upward on the left, downward on the right).
