

OK NET

ecofeed

aims at helping organic pig and poultry farmers, breeders and the organic feed processing industry in achieving the goal of 100% use of organic and regional feed.

The project will extend the organic farmknowledge platform to include the topic of monogastric animal feed.

**Organic Farm
Knowledge**

Visit organic farmknowledge.org. Aims to fill the gap in the exchange of knowledge between farmers, farm advisers and scientists across Europe.

PROJECT COORDINATION:

PARTNERS:

UNIVERSIDAD DE CORDOBA

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 773911.
